

PROMOTIONS:

**Free Installation with 1 year contract
A \$150 Value!**

When you are ready to have your security system installed, call us to schedule an appointment. We can usually schedule within several days from your order date. Both evening and Saturday installations are available. If you have special scheduling needs, we will be happy to accommodate them.

The average installation will take approximately **3 hours**. We recommend that you be available during the time of installation, but it is not absolutely necessary. We will need about **20 minutes** of your time after the installation to explain how the system works, its proper use, and to review paperwork. We will take as much time as you need to answer all of your questions.

MONITORING FEES:

- \$ 19.99 per month with 1yr contract.
- \$ 24.99 per month (includes free maintenance) with 1 year contract.
- \$ 29.99 per month (includes free maintenance and parts) with 1 year contract.
- \$ 24.99 per month No contract.
